

Module View Exp. Report

The system also offers a search function for experimental reports submitted to the MLZ.

Please note, that only Experimental Reports of experiments which were carried out more than 12 months ago will be displayed!

View Experimental Reports

Select Experimental Reports

2011-02-11 to 2012-02-11

Choose the period you are interested in from the calendars.

User

Instrument

Two filters are available: Either choose a user or an instrument from the dropdown lists.

Show Reports

ID	Proposal	Begin	End	Author	Instrument	PDF
1518 [5835]		2012-02-07	2012-02-08		KWS-2	PDF
1464 [6171]		2012-02-06	2012-02-08		KWS-1	PDF
1671 [6075]		2012-02-06	2012-02-07		Spodi	PDF
1531 [5202]		2012-02-04	2012-02-06		KWS-1	PDF
1463 [5870]		2012-02-02	2012-02-05		KWS-3	PDF

After clicking on **Show reports** you will get a similar list. Have a look at the right: There you can create a .pdf of the report you are interested in!
