

Module Proposal - SUBJECT

You have to submit your proposals via this module. There is the possibility to edit until the next deadline. First enter a non-ambiguous and meaningful shortname. It will be used for internal processing. The button **add** prepares a new entry and you get a screen like this:

Form

Subject	Proposaltteam	Sample
Sample environment	Security aspects	Miscellaneous

* required input

Information

Short name

Subject

Title

Scientifique area

Grand Challenges
